

Dear Fellow Rovers,

It's nearly holiday time again, so here's a warm welcome to our new tourers. Below is a little bit of blurb about the ringing during our week away, heavily borrowed from my last year's little bit of blurb.

### **Requests**

- 1 - what are you comfortable ringing?
- 2 - what would be a good challenge for you?

I'd really like everyone to get the most out of the week, so do let me know in advance what you would like to ring so I can make these opportunities happen.

In addition to the usual suspects like Grandsire, Stedman, Cambridge etc, I propose these methods as an outline for the week:

#### **6 bell towers:**

- St Clements
- Double Court
- Carlisle
- Ipswich/Cambridge/Primrose/Norfolk - individually or spliced

"Canon Pyon Surprise Minor" - special method for those who would like something a bit hairy. We WILL ring this at Canon Pyon, and some other places.

#### **8 bell towers:**

- Plain and Little
- Cornwall S Major (because it's better than Wales!)
- Double Norwich
- Standard 8

#### **10 bell towers:**

We have 4 x 10s, let's stick to some more standard methods here.

I'm keen for Rovers to maintain their emphasis on good quality ringing. With that in mind, please take the time to learn/revise methods in advance of the tour.

Do drop me an email with your requests/suggestions, and I look forward to seeing you all on tour!

All the best,

Louise
